

Defend what you create

Partnership Program for Dr.Web Online-resellers

Benefits

- No monthly sales requirements**
- Performance dependant commission**
- Immediate orders delivery on 24/7 basis**

A continuously expanding range of the Dr.Web goods and services most widely in demand in the field of information technology ultimately results in a steady increase in Partner revenue both from the sale of high-tech Dr.Web products and services, and from offering customers additional services on the implementation of these products, on technical consulting, after-sales support, and client training.

Learn now how to profit selling Dr.Web anti-viruses as an Online Reseller.

Who can be a Dr.WEB Online-reseller?

Computer repair companies, computer service providers, software retailers and resellers, hardware retailers and resellers, Internet shops.

How to become a Dr.WEB Online-reseller?

Kindly send your application via <http://partners.drweb.com/joinus/>.
