- Mail server – Kerio MailServer 6.2 or later, Kerio Connect 7

Licensing

Types of licenses:

- Per number of protected users.
- Per server license – unlimited scanning of server e-mail traffic for as many as 3,000 protected users.

Dr.Web for Kerio Mail Server can be purchased as a separate product or as a component of Dr.Web Enterprise Security Suite. In the latter case, the license also covers the Control Center of Dr.Web Enterprise Security Suite and the Anti-spam.

A license for Dr.Web for Kerio Mail Server may also include the SMTP proxy as an additional component. Using these products together improves overall network security and reduces the workload of local mail servers and workstations.

License options:

- Anti-virus
- Anti-virus + Control Center
- Anti-virus + SMTP proxy
- Anti-virus + Control center + SMTP proxy

Dr.Web for Kerio Mail Server is also available in low-cost bundles for small and medium companies.
