## «Migrate to the green»

### A cost saving Dr.Web migration programme for customers of some anti-virus vendors

1. This special offer covers all Dr.Web products except bundles.
2. The discount is available only for companies and doesn't include home users.
3. The migration discount is provided for customers of the following anti-virus vendors: Eset, Kaspersky Lab, McAfee, Sophos, Symantec, Trend Micro. OEM-licenses of these vendors cannot be applied for the migration programme.
4. Customers of other anti-virus vendors don't get the discount.
5. Migrating to a one year Dr.Web license provides a 50 % discount. If migrate to a two- or three year license the multiplier of 1 or 1.5 respectively is used for the price of a one year license.
6. When change for Dr.Web the discount is available only for a similar solution (the type and the number of protected objects are considered).
7. In order to get a migration discount a user needs to present his original license or a key file or a confirmation e-mail stating the purchase of an anti-virus from another vendor and containing the registration information.
8. The discount is available for customers with valid licenses only, if a remaining license period at the moment when a customer applies for the discount is at least 90 days.
9. Further renewal of migration licenses is the subject to regular renewal discounts.
